You may return a product within 30 days of receiving your order as long as the product is in its original condition and packaging. We will provide a full refund for the purchase price of the product less any shipping costs involved. If an item has free shipping, then our original shipping costs will be subtracted from the return. We don't charge any restocking fees on most of our products, however there are a few lines that do have restocking fees which are outlined on the detailed description page of those particular products.

You will need a Return Authorization Number which can be obtained by calling us at 1-800-419-1130 or email at orders@wishihadthat.com. All that is needed is for you to inform us of your intentions of returning your order.
